### H. President's Report

- I met with Carly Jeavons of MBRC with respect to the proposed MBRC Cycling Precinct on Wednesday 11/08/2010. This meeting came on the back of a proposal put forward by Dutton Cycle Club. We are supporting the Dutton Cycle Club proposal as it backs on to the proposal that the Dirt Dogs submitted in November 2008 that was apparently lost in the system during the council amalgamations.

At the request of Shane from Dutton Cycle Club, we resubmitted our proposal to Carly. Carly showed me the proposal for the precinct in Dakabin which looks promising. The precinct includes a road criterium course, a dirt criterium course, a skills section, pump track, clubhouse, plenty of parking and full access to the course for emergency vehicles and event support vehicles.

A survey is to be finalised as of this week that will be submitted to the MBRC and Carly will prepare the submission for Council to meet on in September. I hope to be able to attend this meeting.

Additional to the precinct in Dakabin, land has been identified in Bunyaville for a MTB only cycling precinct. This is longer term and will hopefully leverage of the back of a successful Dakabin precinct.

It is the intentions of the Dirt Dogs to make use of these precincts to operate a regular racing program as per previous minutes and discussions.

Moved by Sean Harrison, seconded by Gary Hopewell.

## I. Treasurer's Report

- Frank reviewed the statement for July and the club's current financial position.
- Balance at the end of July (30/07/2010) was \$2,664.15.
- Income since 01/07/2010 - \$80 in membership fees and \$75 for club jersey.
- Outgoings \$95 to MTBA for day licenses.

Moved by Frank Kenny, Sean Harrison seconded.

## J. New Business

- The Glasshouse social ride was held on the previous Sunday. One non club member (Shaneen) suffered a broken wrist on the asphalt climb to the lookout. Shaneen was accompanied by Gary while they waited for a relative to get her to some assistance whilst the group continued. Overall an hour was spent at the lookout waiting to ensure we had Shaneen sorted, also whilst a rider was tracked down who missed the turn to the lookout and we performed some mechanical repairs on Darren's drive train. Aside from these few issues the ride was successful (two punctures for the club president) with the group meeting back at Wamuran for some well deserved sustenance from CJ's Pastries.
- Next social ride is the Linville/Blackbutt/Rohlman's Road ride on Sunday 12 September 2010. This is a ride of around 50kms in length and suitable to riders who can ride the distance. A less challenging return can be arranged for riders that wish to avoid the fun and challenging Rohlman's Road return section.
